Good teaching in the college

Nothing

teachers should increase confidence of the students and motivated them to take part in MA English and encourage them for learning international language that is English that's why they may be the job after their education .

Job placement

Good teaching and all about excellent 👍

Y.D.V. D. College there is highly professional ,regular evalution quality education is teaching system is very easy person.

The college is good

1) कॉलेज स्वच्छ राहाला पाहिजे . 2) labrary मध्ये पुस्तक विद्यार्थीच्या संख्येने च्या संख्या पाहून नोट्स उपब्धत असावे. 3) lecture च्या वेळी मोबाईल बंद ठेवावे .

I am so lucky

My college excellent

Yes good teaching in teacher

मोईलसाठी काही नियम असायला हवे. क्लास स्वच्छ असावे . आणि washroom साफ होणे गरजेचे आहे.

This college is very good I am learning in this college last 3 year and I have good experience about my college so my opinion is very good and perfect college the teacher's staff is best any way and any situation the teacher's helps you Thank you ❤️

Students Feedback Analysis and Action Taken Report

2022-23

1. Syllabus Suitability and Balance:

Majority of the students rated the syllabus suitability and balance positively. However, there were a few who rated it as good rather than excellent. Action: The syllabus can be reviewed periodically to ensure it aligns with industry standards and provides a balanced mix of theoretical concepts and practical applications.

2. Teacher's Approach to Teaching:

While most students rated the teacher's approach as fair to excellent, there were a few who indicated lower ratings. Action: Conduct teacher training sessions focusing on enhancing teaching methodologies, communication skills, and student engagement techniques.

3. Fairness of Internal Evaluation Process:

Feedback on the fairness of the internal evaluation process varied. Some students perceived it as fair, while others indicated it was not always fair. Action: Implement transparent evaluation criteria and provide clear feedback to students to address any perception of unfairness.

4. Promotion of Projects, Internships, and Research Opportunities:

Most students acknowledged the institute's efforts in promoting projects, internships, and research opportunities. Action: Continue fostering collaborations with industries, research organizations, and alumni networks to provide more diverse opportunities for students.

5. Promotion of Critical Thinking and Personal Development:

The teaching and mentoring process received positive feedback overall. Action: Encourage faculty members to incorporate more interactive and problem-based learning approaches to further enhance critical thinking skills among students.

6. Informing about Competencies and Course Outcomes:

Students generally felt informed about course competencies and outcomes. Action: Ensure that course objectives and learning outcomes are clearly communicated to students at the beginning of each semester and revisited periodically.

7. Mentor/Guardian Teacher Support:

Many students appreciated the support from their Mentor/Guardian Teachers. Action: Strengthen the mentorship program by providing mentors with additional training and resources to better guide and support students.

8. Use of Various Teaching Methods:

Positive feedback was received regarding the use of various teaching methods. Action: Encourage faculty members to continue incorporating innovative teaching methods and leverage technology to enhance learning experiences.

9. Programs for Developing Employability Skills:

Most students acknowledged the institute's efforts in conducting programs for developing employability skills. Action: Evaluate the effectiveness of existing programs and explore additional opportunities for skill development in alignment with industry requirements.

10. Infrastructure and Facilities:

Feedback on infrastructure and facilities ranged from satisfactory to excellent. Action: Address any specific issues highlighted by students such as cleanliness, maintenance, and amenities to ensure a conducive learning environment.

11. Suggestions for Improvement:

Students provided various suggestions for improvement, including increasing confidence among students, promoting participation in extracurricular activities, improving cleanliness, and enhancing library facilities. Action: Take these suggestions into consideration and implement feasible improvements based on priority and available resources.

Overall, the action plan focuses on continuous improvement in various aspects of the college environment based on the feedback received from students. Regular feedback mechanisms should be established to monitor progress and address any emerging concerns effectively.
